

**Door Styles ——— Architectural Control Committee/Board Review & Enforcement Policy**

The ACC has recommended a selection of front door styles considered appropriate for the neighborhood. The examples shown are consistent with most doors currently in the neighborhood and would generally receive prompt approval by the ACC if submitted by the homeowner. These examples are **intended as a guide only**. Minor variations to these examples will be considered by the ACC if submitted by a homeowner.

General guidelines for door selection:

1. Should fundamentally be consistent with the Williamstown Colonial minimalist style, featuring vertical panels
2. Glass panels should be clear and free of designs, frosting, coloring, inlays or other style elements
3. Grills on glass panels is recommended, unless home already has exterior, front facing windows that do not have grills
4. Materials should be wood, metal or fiberglass
